ASSOCIATION**

**ANNUAL REPORT
2021 - 2022**

VISION

Persons living with Schizophrenia and related mental disorders will not suffer due to a lack of awareness on account of stigma and will be able to lead close to normal lives.

MISSION

To create public awareness and understanding about mental disorders in general and schizophrenia in particular.

To inculcate confidence in and practice of self-help amongst families with a member living with a mental disorder.

To provide facilities for capacity building including vocational training and to achieve economic and social rehabilitation of persons living with mental disorders.

Visionary Founder & Past President
Late Dr. Jagannath Wani

SCHIZOPHRENIA AWARENESS ASSOCIATION

This year, SAA celebrates its Silver Jubilee. To commemorate this milestone, SAA has conducted various programs to further its objectives of raising social awareness about mental illness, providing additional facilities at its daycare center, and introducing newer but relevant topics during the peer support group meetings. Our advocacy work continues with our trustees being involved in several initiatives to protect the rights of persons with mental illness.

Musical programs to raise social awareness on mental health were organized at several cities in Maharashtra. We conducted a series of awareness programs for women of the 'Maitra' group. Several programs on awareness were conducted for college students. Essay competition for teenagers was organized. We have continued to distribute pamphlets and booklets among the public and provide counseling and psychotherapy facilities for the needy.

PRESIDENTIAL ADDRESS

ABHAY KELE

I am pleased to continue my responsibilities as President of SAA and am indebted to and inspired by our Founder President Dr. Jagannath Wani and our preceding Presidents, Mr. Yeshwant Oak and Mr. Amrit Kumar Bakhshy.

We are celebrating the Silver Jubilee year of SAA's services towards the mental health of people in Pune and surrounding areas. It has been a consistent and persistent journey for the last two and a half decades and has been achieved by the efforts put in by many, both in leadership roles and behind the scenes. It is indeed an honour to take the institution forward through this special year.

The year 2021-22 was the year of a new dawn after the Covid-19 pandemic.

SAA organized a musical program (मनमंदिरा) in association with Niche Entertainment, as a special part of SAA's Silver Jubilee celebrations, to create awareness among the public regarding importance of mental health.

In spite of the Covid situation, 844 face-to-face and tele counselling and psychotherapy sessions were held.

Orientation sessions for students from various institutes such as Modern College, St. Mira's College, Karve Institute of Social Sciences, Bharati Vidyapeeth Nursing College & Krishna Medical College, Karad, were conducted

The second edition of Mr. Amrit Bakhshy's book 'Mental illness and Caregiving' was released. This was followed by the release of its Hindi version.

On May 24, which is World Schizophrenia Awareness Day, a panel discussion on Schizophrenia Spectrum: Reasons, Recourse, Recovery, Relapse and Rehabilitation, was held online with panellists from India and abroad.

Peer Support Group Meetings were coordinated by our trustees Mr. Ravindranath Chandran, Mrs. Neeta Koparkar, Mrs. Anuradha Patil, Mrs. Sarika Chandak alongwith Mrs. Aarti Pandit and Mrs. Kadambari Kulkarni. Several experts such as Ms. Gauri Gharpure, Mrs. Asha Pillai Balsara, Mukta Dabholkar, Dr. Ashish Mohide, Dr. Vinod Sahay and Mr. Karandikar, Ms. Kavita Padmaraja, Mrs. Pallavi Kasande, Dr. Amit Nulkar and Dr. Sadhana Bhatkhande graced various occasions including webinars on various subjects related to mental health.

Several awareness programs for Maitra group across Pune were held throughout the year. Our team took efforts to spread awareness among the public through pamphlet distribution programs at various places.

Service Users joyfully participated in festival celebrations such as Nagpanchami, Dahihandi, Bhondala, Diwali, Christmas and Rangpanchami.

A webinar was organized by TARASHA, Tata Institute of Social Science in which our Service Users Ms. Mrunalini Kashelkar alongwith Mr. Amrit Kumar Bakhshy and Shubhankar Mrs. Anita Shrivastav participated in the panel discussion.

SAA kept service-users engaged by conducting individual sessions on week days and home-based activities on week-ends. Along with the counselling sessions, our service-users' enthusiasm in making various useful articles and food items saw a total sale of Rs. 1,54,761. This also enabled us earn some revenue and provide incentives to service-users. SAA conducted various therapeutic activities and psychotherapies, which were helpful in hastening the recovery process of the service users.

Our past president and trustee Mr. Amrit Bakhshy was nominated by the Government of India on the sub-committee on Health Systems Domain this year, as part of its Tele Mental Health Program.

Reu Wani Sabhagruh witnessed various musical events. Swarswapna by violinist Ms. Swapna Datar and team, Swarsanwad organized by Shama Foundation with participation from sitar maestro Ustad Rais Bale Khan and tablawadan by Abhijit Bartakke need a definite mention.

On the financial front, we must acknowledge the generous help received from various donors. I take this opportunity to thank and appreciate various individuals as well as institutions, especially MSSO, Mariwala Health Foundation, Shri Subash Gaitonde, Persistent Foundation, Amphenol the Mithani family, Pradip Bandiwadekar, CSR Funds and all others for contributing and showing faith in our work.

On a concluding note, we dedicate ourselves to our service-users, caregivers and the nation, and commit to continue our endeavours in the areas of awareness, rehabilitation and therapeutic help in the field of mental health.

NEETA KOPARKAR

SECRETARY'S REPORT

In our continuing efforts to raise public awareness about mental illness and to reduce the stigma associated with it, we had to depend heavily on the virtual (online) mode to interact with the stakeholders. All peer support group meetings as well as other meetings to commemorate events such as World Schizophrenia Day on May 24 and Erwadi Day on August 6, were conducted online or in a hybrid format, at times with expert speakers from abroad. Service users who come to the daycare center were taken on an overnight trip to Dive Agar in March 2022. Our outreach efforts took us to Talegaon where we spoke to rural women. We also held a special program for senior citizens highlighting old age issues and ways to deal with them. This year, we set up a library containing books on various topics and fiction in several languages. The library is open for all.

One of our service users, Ms. Mrunalini Kashelkar, received a special award for her singing skills at the Talent Hunt competition organized by Turning Point, Kolkata. Two of our staff members, Ms. Kadambari Kulkarni and Ms. Aarti Pandit were sponsored for a course in Art Based Therapy and Counseling Skills respectively. Two of our trustees, Dr. Pragathi Kaushal and Ms. Sarika Chandak were appointed on the Mental Health Review Board of the Maharashtra Government, for Pune District.

REHABILITATION ACTIVITIES

SAA has been successfully running a day rehabilitation center for the last 18 years. Many service users and caregivers have benefited from the center.

Dr. Jagannath Wani Rehabilitation Center is focused on helping persons with mental illness return to an optimal level of functioning and achieve their life goals. This is brought about by providing psychological and social inputs. SAA believes that rehabilitation is an essential part of the treatment cycle.

The process of rehabilitation aims to help persons with mental illness develop the social and independent living skills they will need to integrate with mainstream society. This helps them find meaningful roles for themselves at home and, at work. SAA supports the service users by providing opportunities and dealing with stigma and discrimination. SAA will continue to develop rehabilitation chances by providing new skills or setting new goals for service users.
